Our Mission

Nikos and Alex had a view to bring the Greek hospitality and Greek "flavours" in the heart of London .

At Nostimo, we're all about delicious food, impeccable hospitality, and those heady nostalgia highs. Immerse yourself in our restaurant's welcoming environs, inhale the intoxicating aroma of Greek grill and spice, and, pretty soon, you won't feel like you're in London anymore... Your senses will be transported back to that beachside brasserie in Santorini, or that café in the heart of Athens. Treat your tastebuds, and this is where the reminiscing truly begins.
